[COMMUNICATED. A TRIP DOWN THE POTOMAC. - We left Alexandria on the J. W. Thompson Monday morning last. The cheapness of fare on the boat could only be exceeded by the kindness of Messrs. F. A. Reed, agent, and Captain Wood and officers of the beat, to whom we tender our hearty thanks, and would advise all that can get away to take a trip down the river on the J. W. Thompson. One thing that excited our surprise was to see upon every landing large painted signs nailed up, calling upon every one to go to Washington air, to buy their rertilizers and other articles. We have merchants who sell cheaper and on more accommodating terms than they do in Washington. Put up your sign boards and posters, gentlemen, and let the river people know that Alexandria is the place to get the worch of their money. We camped on the farm of Mr. Kinch, at White Point, where we enjoyed ourselves in fishing, shooting snipe, bathing, and or joying the cool breeze from the bay. JOHN T. LOVELL, JOHN R. STROTHER, Dist. Com. H. SHEPPERD,

VARIOUS CAUSES-advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. Ayer's HAIR VIGOR will restore faded or gray, light and red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and re-moves and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brashy, weak or sickly heir, to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white cambric; yet it lasts long on the hair and keeps it fresh and vigorous. E. S. Leadbeater & Bro.
